by Central Security Services Inc - Major & Commercial Accounts Division

Commercial Business Security System Solutions

Central Security Services Incorporated (CSSI) offers a complete line of business security management systems for commercial security and asset protection. Central Security Services will recommend a business security system solution to meet your employee and premises security requirements.

Commercial Security Products & Services

- **Commercial Intrusion Detection**
- **Video Surveillance**
- **Access Control**
- **Private Patrol**

Monitoring of security intrusion alarm systems is done by our own 24-hour UL Listed central monitoring station. All personnel are properly licensed by State of California for security systems and factory trained by Bosch Security Systems. All systems are supported for service repair and inspection by factory trained technicians

Commercial Security Systems Features
