

**Central Security Services, Inc. (CSSI) has the right answer
to the Top Questions you need to ask before buying a
home security system**

1. Will the contract be factored to another company?

No, CSSI owns and maintains our own U.L. Listed monitoring station.

2. Does the Security System Dealer have a Valid State of California Alarm Company Operators (ACO) License to represent any Major Manufacturer Alarm Products?

Yes, CSSI does have a valid ACO number.

3. Is the Selling Representative Licensed (ACE License) to sell Security Systems and Represent the ACO Licensed Company for your property?

Yes, CSSI's Security Representatives have valid ACE numbers.

4. Does the Sales Representative actually work for the alarm installation company?

Yes, all Sales Representatives work for Central Security Services, Inc.

5. Are you locked into a multi-year contract with unreasonable price increases?

No, CSSI's standard contract duration is one (1) year.

6. What Happens if the Equipment Fails?

All CSSI installed systems come with a 1-year warranty on all parts and labor. All you need to do is call our service department and they can set up a service appointment for you.

7. Is the Company using proprietary equipment that no other company can service or monitor?

No, we use Bosch security systems that can be monitored by any company. You buy the system out right, so it is your equipment.
